

CAPABILITIES STATEMENT

Chicago-based, certified Minority and Women-Owned Business Enterprise (MWBE) with over 20 years experience directing, managing, and producing live and hybrid events nationwide.

Core Competencies:

- **Event and Video Production Technical Coordination:**
Comprehensive planning and execution of events and videos, ensuring alignment with the clients objectives and target audience.
- **Vendor Acquisition and Oversight:**
Procurement and management of vendors across audio, lighting, labor, staging, and video sectors to ensure a seamless event.
- **On-Site Technical Production Management:**
Creation and implementation of production schedules, coordinating daily activities to meet client needs for the event.
- **Digital Content and Commercial Production:**
Specializing in webcasting, live streaming, video production, and editing to deliver high-quality digital content.

Differentiators:

- **Expert-Led Production:**
Our leadership team brings decades of hands-on experience across, live, hybrid, and digital event platforms.
- **Insight-Driven Service:**
Every project benefits from a client focused approach that fuses creativity with operational excellence. We listen first, act second, and always put outcomes front and center.
- **Relationships Over Transactions:**
We're not just here to produce your event: we're here to build long-term partnerships. Our commitment to excellence is matched by our dedication to care, communication, and collaboration.

Past Performances:

AV Media Pros has supported a range of events including:

Corporate events: **R1 Get Connected**

Fundraisers: **American Heart Association**

Live Celebrity Concert events: **Tom Joyner Fanastatic Voyage**
